

King

But if I pardon you ?

Kemankar

Then I shall have time
again to
complete the work I began.

King

You seem out of love with
your life.
Tell me your last wish, if you
have
any.

Kemankar

I want to see my friend,
Supriya,
before I die.

King

(To the attendant.) Ask
Supriya to
come.

Malini

There is a power in that
face that
frightens me. Father, do not
let
Supriya come.
